

La préfecture *vous informe*

I am a British citizen living in the Maine et Loire, I would like to know what to do if the United Kingdom leaves the European Union on 31st October, 2019 ?

I am concerned by this process if I am a British citizen residing in France on 31st October, 2019 :

Before 30th April, 2020, I must log in the app in line (<https://contacts-demarches.interieur.gouv.fr/brexit/brexit-demande-titre-sejour>) to apply for a residence permit.

I face difficulties ? Bilingual agents of the Prefecture can help me to carry out this process, at Angers and Saumur. (9am to 11am /2pm to 4pm).

Once my form is complete, I will receive an email which will invite me to go to **the Sous Prefecture in Saumur** to finalise my request (finger prints, photos, proof of payment of the tax).

I will receive my resident permit at home.
